Student Learning Priorities

Dr. Knox will foster a culture that promotes literacy throughout our school community to communicate and connect with the world around us effectively.

Central Okanagan Public Schools' Overarching Goal:

Our learners will develop foundational skills and core curricular competencies so that they can be empowered to follow their passions and strengths and thrive holistically as resilient and engaged global citizens.

STUDENT EXPECTATIONS

At École Dr. Knox Middle School, we are committed to creating a safe, respectful, and inclusive environment for all students.

To support this:

- **We are socially aware** – We show empathy, value diverse perspectives, and treat others with respect.
- **We are relationship builders** – We communicate kindly, listen actively, and work through challenges together.
- **We are responsible decision-makers** – We make thoughtful, ethical choices that support our safety and well-being, and that of others.

These expectations help us build a caring school community where everyone belongs.

At École Dr. Knox Middle School, we recognize that each student and situation is unique, and we will always strive to ensure that our school is a safe, caring, and orderly environment in which to learn and work. As students age and mature, the expectations for acceptable behaviour will increase accordingly. The code of conduct at École Dr. Knox Middle School is based on the following balance of rights and responsibilities.

Relationships – build relationships with those around you

Responsibility – take responsibility for your choice and actions

Repair – repair situations quickly and honestly

Reintegration – reintegrate into the learning routine

Possible ways of repairing the harm may include:

- Behavioural contracts

In the case that resolution is not achieved, and/or for major violations, further actions may include:

- Detentions

If parents need to contact their child during class/instructional time due to an emergency, we ask that they contact the school office.

ATTENDANCE

Dr. Knox Middle School uses a new and innovative Student Absence Reporting System at our school through the SchoolMessenger app. This attendance feature in SchoolMessenger automates parts of the attendance process which helps our schools collect and manage student absences much quicker. This means we can track down missing students in minutes instead of hours. SchoolMessenger allows parents to notify the school in advance of any planned student absences. Parents can do so in a variety of secure ways:

- by using the SchoolMessenger App on your smartphone,
- by using SchoolMessenger's Parent Portal website, or
- by leaving a phone message at the school using SchoolMessenger's touch-tone system

Please refer to the link for a brief video overview on how to sign up and enter absences using SchoolMessenger: <http://www.sd23.bc.ca/schoolmessenger/Pages/default.aspx>

When students are late, they must report to the office and sign in. The school expects students to be in class and ready to learn by the time the second bell rings. If a student arrives to class late, they must provide the teacher with an authorized late notice from the office or other school staff. Also, if a parent wants to excuse their student for the day, they can do so via SchoolMessenger until 9:30am. Otherwise, it is necessary to call the office to communicate an absence.

CLOSED CAMPUS

École Dr. Knox Middle School is a closed campus. This means that students may not leave the school grounds without permission at any time during the school day.

Leaving school property during the school day is not permitted without the written permission of a legal guardian. When possible, please arrange appointments outside of school time. Students who must leave school during the day for doctor or dental appointments etc. must provide the office with a note from their parent(s) before signing out. Students are required to remain on school property during lunch time.

Parents who would like their child to come home for lunch on a regular basis must contact an administrator and complete and sign the "Home for Lunch Letter". Parents who would like their child to go home for lunch on an occasional basis must provide a written note and are encouraged to pick up their child.

The school will not permit students to leave the campus at lunch to go to and/or order items from local stores or restaurants. Parents are welcome to pick their child up to go out for lunch. The school cannot accept verbal permission to let a student go to lunch with another student and/or their parents.

Students are not permitted to order food (Dominos, SkiptheDishes, etc.) to the school.

REQUIRED FOOTWEAR FOR PHYSICAL EDUCATION

All students are required to wear proper athletic footwear during Physical Education classes. This is essential for safety, performance, and full participation in all physical activities.

REQUIRED FOOTWEAR INCLUDES:

- Closed-toe athletic shoes with non-marking soles
- Supportive sneakers designed for sports or physical activity
- Shoes that are securely fastened (no loose laces or slip-ons)

BANNED ITEMS

We strive to maintain a safe, caring, and orderly environment in our school. Therefore, we need to ensure that we keep our school free from items that might compromise the safety of others. In particular, any illegal or restricted substances including but not limited to drugs, all nicotine products cigarettes, e-cigarettes, vaporizers, lighters and/or other related paraphernalia are not permitted at school. Also, weapons of any sort, including replica weapons, are not permitted at school or at any school affiliated function. Possession and/or distribution of any item of this sort is a major infraction of the school code of conduct.

SKATEBOARDING, SCOOTERING, BIKING AND ROLLER BLADING

Skateboarding, scootering, biking, and roller blading are not permitted for use during regular school hours on Dr. Knox property due to safety and liability issues. **Students must wear a helmet when riding to and from school.** Students are required to securely store their equipment during school hours. The bike compound will be closed in the morning and reopened after school. Schools will also not be held responsible for any misplaced, lost, stolen, or broken items brought to school by students.

DRESS CODE

The school district is committed to providing students with learning environments that are safe, responsive, and inclusive. The district recognizes that decisions about dress reflect individual expression of identity, socio-cultural norms, and that they are personal.

Students may attend school and school-related functions in dress of their choice provided that their choices:

- Conform with established health and safety requirements for the intended activity;
- Do not represent or promote alcohol or drugs;
- Use respectful language;
- Do not depict or promote violence, gang association, racism, sexism, or discrimination; and
- Are not intimidating to others.

Ultimately, the school administration has the responsibility to apply the dress guidelines when necessary. If any person dresses in an inappropriate manner, the student should be advised personally and discreetly and given an opportunity to meet school district guidelines. Appropriate articles of clothing will be made available at the school if the student themselves cannot procure them. Students must wear footwear at school at all times, unless they have permission from the classroom teacher (classroom environment only). Headgear is permitted in the hallways; however, it is up to the individual teacher's discretion if headgear may be worn in their classroom.

THE FOLLOWING FOOTWEAR IS NOT PERMITTED:

Sandals, boots, crocs, dress shoes, or any footwear not intended for athletic use.

Students who do not wear the required footwear will not be permitted to participate in PE activities. Continued failure to wear appropriate shoes will be considered a violation of the school's Code of Conduct due to lack of engagement in required learning activities. This may result in follow-up from school staff and further consequences.

Displaying behaviours of a romantic or sexual nature is highly discouraged at school.

ENERGY DRINKS

Dr. Knox does not support the consumption of energy drinks. Parents are advised that if students bring energy drinks to school, they will be confiscated.

E-BIKES AND OTHER ELECTRIC VEHICLES

Students are not permitted to use electronic bikes or any other type of low-powered vehicle as transportation to and from Dr. Knox. See <https://icbc.com/road-safety/sharing/micromobility-vehicles/electric-kick-scooters-e-scooters>.

Students using electric vehicles as transportation to and from school are considered a violation of the school's Code of Conduct. Parents will be asked to make arrangements to pick up the electric vehicle.

SCHOOL BUS CONDUCT AND STUDENT BUS PASSES

Bussing is a privilege and not a right. To ensure the safety of everyone on the bus, students are expected to behave in an appropriate and responsible manner on the way to and from school. The regular Code of Conduct applies, and consequences for misbehavior will be determined accordingly. Consequences may include suspension of bus privileges. During a suspension from the bus, students are expected to find an alternative way to get to and from school.

REQUIREMENT TO PRESENT A BUS PASS

- Bus students will be required to scan their bus pass each time they board and exit the school bus. This will ensure students are accounted for while riding the school bus.
- The bus pass will be assigned to a student and can be used year to year; there is no requirement to return the card at the end of the school year or if your child's transportation is cancelled.
- Bus passes are not transferable and cannot be used by another student.

FORGOTTEN BUS PASS

- If a student forgets their pass, the driver will manually assign the student to the bus route for the day.
- Consistent and repeated instances of failure to show a bus pass will result in the parent receiving a reminder of the requirement and may result in being denied service.

LOST OR DAMAGED CARDS

- If a bus pass is lost or damaged, please contact Transportation Services for a replacement card. The bus driver may also request a replacement card to be issued. 250-870-5151 or transportation@sd23.bc.ca
- The first replacement card is included in the transportation fee. Depending on circumstance, a replacement fee of \$10 may be applied to the student's School Cash Online account.

INCLUSIVE EDUCATION STUDENTS

- The bus pass for Inclusive Education students assigned to our Inclusive Transportation routes may be retained on the bus with the driver, who will scan the student pass when they load and unload the student.

A replacement fee of \$5.00 will be charged to students who have lost their locks. To ensure students' belongings are safe, lock combinations and lockers must not be shared.

Student Health and Medication

If your child suffers from a medical condition that may require emergency action, please ensure the office is aware and all the medical alert planning forms are on record at the school and updated each year. These forms are available at the office. Please do not send medication to school with children unless absolutely necessary. If this situation cannot be avoided, all medication and proper paperwork is to be kept in the school office during school hours. Please see the school administrative assistant for proper authorization forms and other information. Please reference the school district's policies regarding medication and medical treatment.

Office staff will call home in emergency situations or if a student is ill and needs to go home. A student telephone is available for students to use on a limited basis with permission.

Valuables at School

The school strongly suggests that students do not bring valuables to school. The school will not be held responsible for any misplaced, lost, stolen, or broken items brought to school by students.
